\*These new Fives can be made by back-hooking an "S" to a Four that previously did not take a back-S.

Conventions used on this and following page: Words that are a shorter word + "S" are not bolded.  
 2) An "s" following a word, indicates that it takes a back-S.  
 3) In a list of say Threes, something like "QIs" indicates that "QIS" is a three-letter word that can be made by back-hooking a Two.
